

Why join the

CSSA ?

www.ctsoccer.org

Being a member of an organization of over 4000 adult players in Connecticut, 250,000 in the USA and over two million in the world through FIFA, is only one of the reasons for affiliating with the Connecticut State Soccer Association.

Benefits include:

Having a centralized communication center to handle information concerning all affiliated leagues, soccer happenings across Connecticut, the United States and the world soccer events.

Having a consistency in the playing rules in league play as well as in tournament play throughout the US.

Having an appeals system which includes an impartial governing body to oversee all play of soccer.

Having liability insurance and medical insurance.

Having referee training, education and evaluation program with a procedure for complaints on referees

Having a coaching training, education and evaluation program with a procedure for upgrading.

Having access to national sponsorship deals.

Being able to participate in the State and National Cup programs.

Insuring that all players are currently registered and not under suspension for violent conduct.

Being able to participate in sanctioned tournaments in and out of state with the assurance of the rules and appeals procedure available.
